APPLICATION REQUIREMENTS:

Please read the following to ensure you understand the expectations of the Permit Application. Incomplete Applications will be discarded without further notice.

Minimum age requirement to apply is 18 years of age

The film, television and theatrical stage industries are very demanding in the technical areas over which the I.A.T.S.E. has jurisdiction. When the Union supplies personnel to facilitate safe and proficient productions the organization must be able to stand behind each worker, confident that they are an experienced, trained, competent, and talented professional. To that end you are advised to consider the following criteria when deciding to pursue this avenue. Please note that in the past two years, only 10% of the applications submitted advanced to union membership. Permit status will be determined based on the following:

1. Professional training in a specific craft or technical skill.
2. Demonstrated talent in a specific craft or skill area.
3. Understanding of the entertainment industry workplace/environment.
4. Honesty, good character, and professionalism.
5. Subject to department approval based on minimum department criteria.

If after careful consideration, you wish to apply for Permit status with I.A.T.S.E. Local 212, you are asked to remit the following:

- ❖ **Completed "Application for Permit Status" form – see attached.**

- ❖ **Any applicable criteria required by the department you are applying for. See <http://www.iatse212.com/motionpicture.asp#departments> for departmental criteria. This may include certifications, licenses, First Aid, etc.**

Applications can take up to 3 months to process. You will be notified as soon as your application has been reviewed. Please do not telephone and inquire as to the status of your application. Departments are responsible for reviewing and approving permit applications.
