Work well with others			

**Head or Steward**

**Permittee**

**Signature:** \_\_\_\_\_

Additional Information or Comments: Please indicate if there is anything this permit has done particularly well, if there is something they should concentrate on learning or doing better, or if you need to expand on comments from above. These comments are important because they help the permit learn their strengths and weaknesses as seen by others, and help the Caucus see if/how they have improved over time. Continue on back if necessary.
